

# GAME SAFETY PROTOCOLS

Return to Play – Spring 2021

## PLAYERS

- Mask must be on at all times when not actively playing
- During play, masks should be on “as tolerated” – as determined by the player
- Masks must be under the chin if not on, to be quickly accessible when needed
- Players must remain 6 feet apart when not on the field
- Hands should be sanitized at arrival, when exiting the field, and at departure
- At the final whistle, acknowledge the other team and referees from distance
- Water bottles, food, and other personal items are not to be shared

## COACHES

- Mask must be on at all times
- Social distance from players at all times, including pre- and post-game talks
- Facilitate the quick exit of players at the conclusion of the game
- Hands should be sanitized upon arrival and at departure
- At the final whistle, thank the other coach, team, and referees from distance

## PARENTS & FAMILY

- Mask must be on at all times
- Maintain 6 feet from LG United members not in your immediate household
- Maintain 15 feet from parents & family members of the opposing team
- Leave as soon as possible at the conclusion of the game
- No pets allowed

The above guidelines are in accordance with State and County COVID-19 protocols and are subject to change.
